Camp Rules

1. At the camp participants behave in a scout like manner and take others into account.
2. A scout scarf is held at the camp all the time .
3. There is silence in the camp according to the program. During the silence, it is forbidden to make unnecessary noises.
4. Cub Scouts, Adventurers and Trackers are allowed to use and carry a knife only when they are needed in the program.
5. Children under the age of 18 require parental consent if leaving the camp site before the end of the camp period. Participants over 18 years old must inform the group director if leaving the camp site before the end of the camp period. This doesn't apply when removed from the camp by the organization.
6. The use tobacco and nicotine products is permitted only in places assigned to them.
7. It is strictly forbidden to possess, use, or to appear under the influence of alcohol, drugs or other intoxicants during the camp. The rule also applies to construction and deconstruction camps. In the case of persons under the age of 18, custodians are always notified of the offenses. In the event of a violation, the Espoon Partiotuki ry's Substance Abuse Policy will be followed.
8. Live twigs must not be taken from the trees. Modification of the terrain, such as excavation of large pits, is also prohibited without specific permission.
9. It is prohibited to make a fire without permission of the camp security.
10. Swimming outside the program is allowed at officially supervised swimming areas during specified swimming times. When leaving for a swim, you must
